### **British cookery books for sale**

[p mrbrewin@gmail.com](mailto:p mrbrewin@gmail.com)

Canterbury, UK

**90% of the books are concerned with British and Irish cookery and recipes.**

**For a look at some of the results of this research see: [britishcookery.co.uk](http://britishcookery.co.uk)**

Generally, I have not given, in most cases, a full booksellers description of the books, most are in good condition. I have checked most against ABEbooks for price and postage and applied what I think is a fair price.

#### Notes:

- All first editions, unless stated otherwise, first edition, where known, is in square brackets.
- All hardback unless marked Pbk (paperback)
- 98% are British cookery books - usually with British recipes and/or concerned with British cookery.
